

Equality Objectives

Sept 2023 – August 2026

At Speedwell Infant School we aim to fulfil our duties under the Equality Act 2010 by:

- Eliminating discrimination.
- Fostering good relationships.
- Advancing equality of opportunity

To achieve this, our equality objectives for next three academic years are:

Objective	Success Criteria	Frequency
To promote spiritual, moral, social and cultural development and understanding through all appropriate curricular opportunities, with particular reference to issues of equality and diversity.	Children have improved understanding of different faiths, cultures and religions through a range of first hand experiences both in and out of school.	Annual focus within RE and PHSE curriculum in KS1. Annual focus through PSED and Understanding the World curriculum in EYFS. Annual review of long term curriculum overview experiences.
To reduce prejudice and increase understanding of equality through direct teaching across the curriculum.	Children have empathy and understanding with Persona Dolls when they visit with an equality or diversity issue, and find positive solutions.	Annual review of impact of introduction of Persona Dolls as a key teaching tool for equality and diversity.

Review point 1 – July 2024

Review point 2 – July 2025

Review point 3 – July 2026
